MOH.SULTAN NAGAR GAJRAULA, AMROHA (UP)

## SUMMARY

Motivated B.Tech graduate (2024 batch) with strong HTML/CSS skills and frontend design experience. Intermediate level knowledge in bug hunting and cyber investigation, and basic knowledge in digital forensics. Hands-on experience in PHP and proficient in deploying core PHP projects using the CodeIgniter framework for enhanced security.

Goal: Develop secure and robust solutions at the forefront of the industry.

## Technical Skills

- Web Development (PHP Developer)
- Core java(basic)
- Graphic Designer
- Cyber Security
- MySQL
- Video Creator
- Power BI
- PHP
- WordPress
- Advance Excel
- Bug Hunter
- Python (Basic)

## Skills

- Project Management
- Ability to work under pressure positive attitude
- Ability to work individually as well as in a team
- Good analytical skills
- Strong motivational and leadership qualities
- Excellent communication skills
- Leadership

## Projects / Achievements

- **Doctor Appointment System (7th Sem Project)**
  - Develop user authentication for secure access.
  - Design an intuitive interface for booking appointments with available doctors.
  - Implement notification systems for appointment confirmations and reminders.
- **YouTube Clone (PROJECT)**
  - Developed the design and structure for a YouTube clone using HTML, CSS, and JavaScript.
  - Created a responsive user interface for seamless viewing across various devices and screen sizes.
  - Structured the frontend layout and elements with HTML.
  - Styled and enhanced the visual appeal using CSS to ensure a modern and user-friendly interface.
  - Integrated iframe links for videos, without creating a database.
- **PHP Intern Projects**
  - Created authentication pages and designed admin panels using CodeIgniter, enhancing secure user management.
  - Deployed 2-3 websites using the CodeIgniter framework, gaining practical experience in web application development.
  - Worked on admin panel functionalities and authentication login systems to improve user experience and administrative efficiency.
- **National Level Research Paper Writing Competition**
  - Awarded top prize in the Subhash-SwarajSarkar National Level Research Paper Writing Competition for paper on the topic of unsung warriors of independence.
  - Leveraged comprehensive research and exceptional written communication skills to craft a paper demonstrating a deep understanding of the topic.
- **E - Commerce Website (PROJECT)**
  - Developed the design for an e-commerce website using HTML, CSS, and JavaScript.
  - Created a responsive user interface for seamless viewing across different devices and screen sizes.
  - Structured the frontend layout and elements with HTML.
  - Enhanced the site's visual appeal and usability with modern CSS styling techniques.
- **Wi-Fi Jammer (C|EH Project)**

Created a cybersecurity project using ESP8266 board and Python scripts for ethical hacking as part of CEH program, focusing on network security and vulnerability assessments.
- **Data Encryption/Decryption Program**
  - Developed a Python program for encrypting and decrypting file data as part of the Cyber Security GPCSSI program, enhancing data security.
  - Implemented robust encryption algorithms to ensure the confidentiality and integrity of sensitive information across all file types.
- **Rewards HACKATHON-2022**
  - I earned First Prize at the Intra University Hackathon 2022 for a data analysis task, utilizing Python libraries pip and pandas.
  - My advanced skills in data analysis and coding enabled me to deliver a successful project and garner recognition.

## Certifications

- Cyber Security Intern GPCSSI-2024 (On-going)
- W2sInfotech (PHP-Intern)
- InternPe (Frontend-Intern)
- OctaNet (Frontend-Intern)
- MSME Technology Center (Core-Java-Trainee)
- C|EH Course from IIIT ALLAHABAD

## Education

### Chaudhary Charan Singh University (SCRIET)

Bachelor of Technology (Information Technology)  
2020 - 2024

### CARMEL PUBLIC SR. SEC. SCHOOL

Intermediate (PCM)  
2019 - 2020

### CARMEL PUBLIC SR. SEC. SCHOOL

HIGH SCHOOL  
2017 - 2018
